Board Policy on Violence/Firearms on Campus, BP 19-10

Effective: November 13, 1990
Retitled: September 14, 2000
Retitled: August 25, 2001
Revised: August 20, 2003

Approved:

S/ Joe D. May, System President

Application:

This procedure applies to the state system community colleges

Basis:

Board policy states that no person may have on his or her person any unauthorized firearm, ammunition, explosive device, or illegal weapon on campus or any facility used by a college.

PROCEDURE

Persons authorized to carry firearms and other equipment defined in the policy are:

- those persons conducting and participating in an approved program of instruction in the college's curriculum which requires access to such equipment as an integral part of the instructional program;
- peace officers; and
- those persons granted permission at the discretion of the college president for specific purposes from time to time.

Pursuant to the policy, college presidents are responsible for developing procedures and regulations pertaining to the use of firearms as a part of a program of instruction.
