Joe D. May, System President

Policy Statement

It is the intent of the Board that the college presidents and the System President be afforded broad latitude of authority within their respective areas of responsibility. Therefore, the Board hereby delegates to the college presidents and to the System President authority to approve all personnel actions, subject to Board policy and statutory guidelines and limitations. The System President is directed to submit a Pilot Program for System classified employees in the areas of recruitment and selection, dispute resolution and evaluation.

Scope

This policy applies to the state system community colleges and the System central staff.

Procedures

The System President shall promulgate such procedures as may be needed to implement this policy.
