Roll Call

THE AMENDMENT 50 EMPLOYMENT ACT

A who's who of lobbyists and lawyers crowded into a small committee room Wednesday to try to complete details on how to implement voter-approved Amendment **50**, which expands gambling and gives a chunk of the proceeds to community colleges.

Attorneys included Mark Grueskin, Mike Feeley and Jon Anderson and lobbyists Steve Durham and Gayle Berry.

"Who said the economy is in trouble?" Durham joked.

58.7%

of voters approved the ballot measure
