

FastStart@CCD Student Participation Agreement Spring 2011

I agree to participate in FastStart@CCD, a program designed to accelerate my movement through the developmental course sequence. Participating in this program will **provide me with the support of:**

- **An Educational Specialist and Case Manager** to assist me with financial aid, registration, academic planning and with guidance to other college services
- **Student ambassadors**, working on degrees at CCD, UCD or Metro, to help me with financial aid, provide me extra help with assignments and other questions
- A **weekly study group** specifically for my FastStart class, with my instructor and my classmates that I can attend as needed for help.

In order to benefit from the above, I **accept the following responsibilities:**

- **Meet with the Educational Specialist or Case Manager**, Rosalinda Martinez or Joanna Conlin, this semester to discuss my academic progress in my classes, and evaluate my academic needs
- **Attend review/study group sessions** with my instructor, student ambassadors or classmates if I am having difficulties in a class as recommended by my instructor
- **Communicate any issues affecting my academic progress** to FastStart staff by:
 - **Replying to e-mails**, returning phone calls as **promptly** as I can
 - Giving updated contact information as necessary

I agree to comply with the terms of this agreement in order to fully benefit from the support and assistance that FastStart@CCD offers me. I have also been made aware of the accelerated pace of this program.
